Archival Policy

Retain completed event records, then archive them on a daily automated check.

Save policy

ⓘ **Only completed events are eligible**
Retention is measured from the event's end date. Draft, scheduled, active and cancelled events are not automatically archived.

Automatic archival

Enable automatic archival
Run a daily eligibility check for completed events.

Days after event end *
90
1–3650 days · default 90

Save policy | Run now

Last run

• Completed successfully

3 events archived
19 Oct 2026 · 02:00
12 completed events checked · 9 still within retention.
Archived events are read-only. Administrators can restore them to completed status from Global Events.

Policy disabled / Contextual variant

Automatic archival is off
Retention and manual run are unavailable until enabled.
